Certificate of Product Testing

This certificate is an acknowledgement that 1KEY Agile BI Suite Ver 2.0.3, a Business Intelligence tool, developed by M/s. MALA Intelligence Pvt. Ltd. has been tested by Nelito Systems Ltd. Our Certificate for Testing is valid for the specific version and release of the Product - "1KEY Agile BI Suite Ver 2.0.3 "

We have tested the product to ensure that it runs reliably on the client/server combination as specified in Annexure I of the final test report.

Nelito Systems Limited has made a sincere effort to improve the validity of software by subjecting the application to the below test criteria's and has provided accurate, consistent and unbiased testing reports

- ✓ **Functionality:** The capability of the system to provide functions, which meet stated and implied requirement specs when the system is used under specified conditions.
- ✓ **Accuracy:** The capability of the system to provide the right or agreed results or effects. This includes the expected data with the required degree of precision of calculated values.
- ✓ **Inter Operability:** The capability of the system to interact with one or more specified systems.
- ✓ **Understandability:** The capability of the system to enable the user to understand whether the system is Suitable, and how it can be used for particular tasks and conditions of use (user friendliness & user acceptability).
- ✓ **Stability:** The capability of the system to ensure continuous stability of output results.
- ✓ **Installability:** The capability of the system to be installed in a specified environment as mentioned in Annexure I.
- ✓ **Control Points required in entire system:** The capability required in system to check the data flow as per control structure defined for the system.

To arrive at our conclusions, we have used Nelito Testing methodology, studied the application software based on the product demonstrations given to us & explanation to testers queries, infrastructure & setup given for testing the application, details of which may be referred in the Annexure I of the Final Test Report.
