CEO, MAIA INTELLIGENCE

I have been associated with Express Computer from my college days—it is the oldest IT magazine. I congratulate Express Computer and its team for the 1000th issue.

Express Computer has been contributing to the IT industry; I would like to thank the EC team for its contribution to MAIA Intelligence. Today MAIA has been recognized in the BI space due to Express Computer, I hope it will keep on helping new companies like us. We have been fortunate to be associated with EC
