MAIA rolls out MIS servers for SMBs

Indian BI vendor, MAIA Intelligence unveiled a new MIS server portfolio named 1KEY MIS servers, tailor-made for SMBs on November 22 in Mumbai. The launch was attended by over 75 IT decision-makers, ISVs and solution providers. The launch was accompanied by a panel discussion on how small businesses can increase productivity, business efficiency and drive growth with better MIS reporting.

■ Sanjay Mehta of MAIA Intelligence; Janak Bhuta of Globalware; Vikram Seth of Software@Work; Hemant Nerurkar of Mindcraft Software and Suketu Shah of Soham Computers discussing about the need for MIS among SMBs
